**TEXT FOR ANTHEM: A CAPELLA PRAYER**

Father, make light my prayer and strong my faith,

Swift my feet and sure my hand

To carry Your will to the ends of the earth,  
And spread the good news of Your love through the land!

Make peaceful the night and bright the day  
With angels calling the rising sun,  
Now high is the road and clear is the way,  
And finding Your presence has just begun!

Oh, that the One who has called the earth to turn  
And the stars in their crowning glory  
To bless the skies with a kingly prize  
Could stay so near to my praying!

Father make strong my heart to know Your love  
And sure my faith to stand on,  
Holding the earth in the palm of Your hand,  
We are Your faith-found children!
