TEXT FOR ANTHEM: IF YOU WILL WALK TOWARD THE LIGHT	

If you will walk toward the light,
The darkness cannot overtake you.
Guide now our footsteps, O Light of Life.
Give us Your presence, the Bread of Life
You who rule by the power of Your love,
Guide us daily on Your sure way,
Lead us ever in Your presence when we stray,

If you will walk toward the light,
The darkness cannot overtake you.
How can we ever forget Your love,
Let our hearts be willing to take You,
You, who bind up and heal our wounds,
You who rise with us each day,
May we ever walk together in Your way.

Patiently knock at the door of our hearts,
Waiting to be let in,
Wind of the Spirit, breathe life in our souls,
Give us the strength to begin again.

As You stand ready to greet us on High,
Make ready our hearts to receive You
In spite of our questions, confusion and doubts,
Give us the will to believe You,
Your promises, precious, eternally real,
We know You will never forsake us,
For if we will walk toward the light,
The darkness cannot overtake us,
Yes, if we will walk toward the light,
The darkness cannot overtake us.
